

Directions to Sharper Minds' Downtown Fort Worth Location

This office is located in the Atrium Executive Business Suites 777 Main St., Suite 600 Fort Worth, TX 76102

This office is located in the Frost Bank building at **777 Main St.**, located in the heart of downtown Fort Worth. It is bounded by 6th and 7th on the north and south, and Main and Commerce on the west and east. See map. If you are using a GPS unit or Smartphone navigator, the **777 Main** parking structure is located at: **711 Commerce St**, Fort Worth, TX 76102

The easiest way to get to the building and parking is to come north or south on the **I-35W**. Take the Downtown exit (TX-280 Spur) and when the road "Y's", take the left hand fork for 6th Street. If you are coming from the east on **I-30**, take exit 15C to merge onto U.S. 287 N toward I-35W N/Denton/Downtown. Continue onto TX-280 Spur.

As you are driving towards 6th, you will see the tall glass exterior building that we are in (see arrow). Come down several blocks and turn left onto Commerce (a two-way street). The **777 Main Valet Parking** garage is on the left hand side (that's about all they have downtown and the pricing is pretty much the same, ~\$15 *maximum* for 4+ hours). Note the Skybridge (elevated walkway) in the right hand picture that connects you to the 777 Main building.

After dropping off your vehicle, take the elevators up to the Concourse (C) level, go up the seven steps and cross the Skybridge. If anyone in your party is in a wheelchair, the elevator closest to the glass doors is handicapped accessible and can go directly up to the Skybridge (S) level. After you cross the Skybridge and walk towards the center of the building, you will notice the banks of elevators to your right.

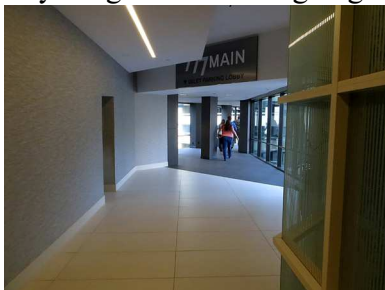

Different elevators go to different levels (note the numbers on the floor), so take one that services the 6th floor. When you exit the elevators, you will see the reception desk. Check in with the receptionist. The receptionist will notify me and I will come and get you.

Generally, we will be meeting in the large conference room depending on availability. Otherwise, we may be meeting in the medium-size conference room or office.

After you depart and take the elevators down to the Concourse level again, head back out to the Skybridge back to the garage.

When you arrive at the garage, give the people at the booth your ticket stub and pay accordingly. A valet driver will get your vehicle. A tip of a \$1 is always appreciated by the driver.

To get back to the highway is very easy. Simply turn left out of the garage, and left again at the next light (7th St.). Within a few blocks, you will be back on TX-280 and simply follow the signs to the highway of your choice. If you are heading back to the I-30 East, follow the 280/287 signs.

If you need more maps or directions, go to Google and map directions to the parking garage at: 711 Commerce St, Fort Worth, TX 76102.

Alternative for complementary parking: If you enjoy great Thai Food, consider going to **Thai Tina's in the Embassy Suites** building about a block away (one of our favorite restaurants). Check their hours first: (817) 332-0088. Located at 600 Commerce Street, Fort Worth, TX 76102. If you schedule an afternoon evaluation appointment, grab lunch there first as they offer complementary valet parking. Pull up in front of the Embassy Suites on W 5th and let the valet people know you are going to Thai Tina's. After you finish eating lunch, walk down one block on Commerce, cross the street to the Frost bank building and take the elevator to the 6th floor. ☒
