Notes:

¹ If the family is local to Fort Worth or drives/flies in, then generally we like to do the first training session face to face. This session, which includes time to do the paperwork, generally lasts around 2 hours.

 2 ____ number of sessions or 14 months, whichever comes first. Allowances for holiday breaks, family vacations and illnesses have been taken into consideration.

³ The Sharper Minds Ultimate Program is guaranteed for most cases, but does not apply to more exceptional or severe cases such as for those with Downs, Cerebral Palsy, Autism, Multiple Sclerosis, severe Stroke, though these may benefit. Check with Sharper Minds if you feel your case may be unusual or more severe.

⁴ Rates and payment plans are subject to change without notice.

⁵ No interest is charge for the payment plan option, but a \$50 surcharge is levied to cover the extra bookkeeping costs of the payment plan.
